101 THINGS I LEARNED IN ARCHITECTURE SCHOOL is a book that students of architecture will want to keep in the design studio and in their backpacks. It is also a book they may want to keep out of view of their professors, for it expresses in clear and simple language the things they tend to make murky and abstruse. These 101 concise lessons in ...

Another great installment in the "101 Things I Learned" series. I've enjoyed every book in this series so far (I still have a couple more to read). Next for me is "101 Things I learned in Urban Design School".

### **101 Things I Learned® in Advertising School: Arrington ...**

101 Things de-mythologizes the jargon that obscures the real meanings of what is taught in design schools. Designers too often write in obtuse terms that make relatively simple concepts difficult to comprehend. But understanding how we perceive, experience, and interpret the spaces we inhabit should not make us feel dumb, or left out.
