These programs offer financial incentives for businesses and sales representatives who stock your product and close sales effectively. When it comes to sales incentive programs, our approach combines the right sales incentives and spiffs to keep your team motivated to sell without discounting your products.

### Spiff & Sales Incentive Solutions | Incentive Insights

SPIFFs are taxable. The IRS considers them incentive pay so they do fall under the rules for 1099 MISC Commission. You have to be prepared to track and report them. Fraud issues using a SPIFF Incentive. You have to watch out for fraud or misuse of your SPIFF program.

### SPIFF Sales Incentives: The Good, The Bad, and The Ugly

SPIFFs were used very successfully in the early days of personal computers when there were computer stores. They helped launch Apple to the general public and kept IBM going strong. These companies gave salespeople SPIFF incentives to demo their computers. The lack of an incentive (other than product quality) certainly had a negative impact on the well-engineered but short-lived TI personal computer.

A spiff, or spiv is slang for an immediate bonus for a sale. Typically, spiffs are paid, either by a manufacturer or employer, directly to a salesperson for selling a specific product. It is sometimes given as SPIF or SPIFF with invented words to fit the letters, but these are not the origin (see below).
