Troubleshooting small engine problems | Briggs & Stratton

I don't have ANY on any of my mowers or gas powered engines. It's all honda, Kawasaki, 2 Kohlers, and Daihatsu. But from what I have seen, BS makes typical poor quality oil burning junk that wears out fast and is considered a "disposable" engine fit only for department store mowers.

Does Briggs and Stratton make ANY good engines? |

LawnSite

Before you are able to change the lawn mower oil on your Briggs & Stratton® small engine, it's important to understand the oil type and capacity required. The type of equipment you use, the engine within, and the temperature outside determines what type of oil to use, how much you need and the cost of the oil.
