Social business is an innovative business model which promotes the idea of doing business in order to address a social problem, and not to maximize profit. As the title suggests, this complement to traditional capitalism truly can serve humanity's most pressing needs, especially poverty. Each and every social business creates employment, good working conditions, and of course, addresses a specific social ill such as lack of education, healthcare, and good nutrition.

### **Building Social Business: The New Kind of Capitalism that ...**

Nobel laureate Muhammad Yunus looks more deeply into the concept of social business, an alternative to unfettered capitalism that channels the best energies of capitalism while addressing pressing human needs, by showing how the theory and practice of this idea is growing in the business, academic and philanthropic worlds.
