Simply, a business wargame is the adaptation of military wargaming to a business environment: it helps a company with strategic, operational and tactical planning, and execution. A wargame is a role-played simulation of a business situation, usually one that involves a set of teams representing a market or customer, a set of competitors, and a series of other uncontrollable factors or entities.

## **What Is A Business Wargame? - Competitive intelligence**

Business war gaming (Corporate war gaming) or business wargaming is an adaptation of the art of simulating moves and counter-moves in a commercial setting. In a complex global and competitive world, formulating a plan without testing it against likely external reactions is the equivalent of walking into a battlefield without the right weapons or a plan to win.
