Contagious Communities: Amazon.de: Roberta Bivins ...

Indeed, it is along these lines that Bivins, in the lucid and captivating *Contagious Communities*, uses a fascinating medicalized lens to understand the impact of postwar migration to Britain. *Contagious Communities* explores the relationship between national responses to medicine, migration and the National Health Service (NHS) between 1948 and 1991.

Contagious Communities: Medicine, Migration and the NHS in ...

Contagious Communities both broadens our understanding of the history of the NHS and brings the history of migration into our understanding of the development of medicine. It offers an exploration of three interconnected questions: the extent to which migration policies were shaped by medicine, the influence of post-colonial migration on British medical research and culture and the ways in ...
