It's an incredible and incredibly shameful story, and Death by China tells it all. But understanding the reality of China's assault on America is only the beginning. Leading economists Peter Navarro and Greg Autry offer a complete plan for surviving the global power shift China has already engineered—and halting the Dragon's onslaught before it's too late.

Death by China is a first-hand look at how China is the greatest threat to America and why. It's discussed about how many Americans die daily from poisoned food, spiked drugs, toxic toys and more that all come from China. Many US Industries have partnered with China to get these items imported into the states at a fraction of the cost. Many ...
