The history of Europe covers the people inhabiting Europe from prehistory to the present. During the Neolithic era and the time of the Indo-European migrations Europe saw human inflows from east and southeast and subsequent important cultural and material exchange. The period known as classical antiquity began with the emergence of the city-states of ancient Greece.

According to the College Board's website, AP European History focuses primarily on the study of European history after 1450. It introduces students to cultural, economic, political, and social developments that played a part in shaping the world in which they lived, and the powerful continent that Europe has become since then. It will also require students to approach the topic of European ...
