End-of-Year Resources - Everyday Mathematics

Please note that the questions on the EDM End-of-the-Year assessment differ in the total number of points they are worth. This is dependent upon the type of question and the number of possible answers. In order to determine the total number of points possible for each question, you may want to preview the Tally Sheet before grading the assessments. Each correct answer is worth 1 point.

Break it into parts and administer them on several days.

End-of-the-Year Test Grade 4 - Math Mammoth

This amazing study guide mimics the End of Year Test from the 2015/2018 version of Math in Focus for 2nd grade. I added a page of multi-digit computation that we use for our own kids. It's a separate page so easy to take our or leave in. This makes an excellent in-class review or at-home study guide.
