Accepting Christ means choosing to neglect our old human nature for our new nature which is in Christ. This will require us to put to death our old habits: sexual immorality, impurity, lust, evil desires and greed (Colossians 3:5). Living a life hidden in Christ also requires us to be immersed in His word.

I was searching for a study on the idea from the Bible of being hidden in Christ from Colossians 3. This book is exactly what I wanted! The author breaks down the verses into 30 single key words and has a short writing focusing on that word. This little book has a lot of powerful truth, so encouraging. Highly recommend for anyone who wants to grow and
