Ib Chemistry HI Textbook Colchestermag

Chemistry guide 3 Choosing the right combination Students are required to choose one subject from each of the six academic areas, although they can, instead of an arts subject, choose two subjects from another area. Normally, three subjects (and not more than four) are taken at higher level (HL), and the others are taken at standard level (SL ...

Chemistry guide

We haven't altered any mark schemes published by the IB; as a consequence, some questions from previous Chemistry Guides, if calculated using the Chemistry Data Booklet for first examination 2016, may have numerical answers that are slightly different to the answers published on this web site.
