There is always a contract between an employee and employer. You might not have anything in writing, but a contract still exists. This is because your agreement to work for your employer and your employer's agreement to pay you for your work forms a contract. Your employer has to give you a written statement within 2 months of you starting ...

### **Contracts of employment - Citizens Advice**

Standard form contracts often include a lot of legal 'fine print' and terms that you may not understand. They tend to be one-sided documents that mostly benefit the person who prepared the contract (for example, by shifting as much risk as possible to the contractor). If you don't understand the fine print or any other part of the contract, you should get advice.
