## **verbs**

When forming a question in English, there is what is "correct" and what is more or less formal. Firstly, you should review how questions are normally formed in English, because there are several different types.. Dropping the auxiliary verb or using statement order instead of question order is sometimes done in informal speech, but it's more complicated than that.

1. Questions without question words and be. Subject and verb change their position in statement and question. Sentence: You are from Germany. Question: Are you from Germany? We always use the short answer, not only Yes or No. That's why questions without question words are also called YES/NO-questions.. 2.

### **Word order in English questions - Summary**

They are used along with the main verb in a sentence to make questions, negative statements, passives and tenses. In this question, "Do you like Czech food?" - do is the auxiliary verb, like is the main verb. In questions, auxiliary verbs come before the subject - in our example question, you is the subject. Auxiliary verbs - Do/does/did
