The Lost Women Of Rock

With the demise of the punk scene, interest in these musicians evaporated and other priorities became important to music audiences. This book investigates the social and commercial reasons why these women became lost from the rock music record, and rewrites this period of popular music history.

The Lost Women of Rock Music: Female Musicians of the Punk ...

In Britain during the late 1970s and early 1980s, a new phenomenon emerged, with female guitarists, bass-players, keyboard-players and drummers playing in bands. Before this time, women's presence in rock bands, with a few notable exceptions, had always been as vocalists. This sudden influx of female musicians into the male domain of rock music was brought about partly by the enabling ethic ...

Tanya Pearson Women of Rock OHP director. Website. In 2014, while doing research on women rock musicians of the 1990s for a symposium on the history of censorship during her senior year as an Ada Comstock Scholar at Smith College, Pearson discovered a “frustrating lack of information” about the pioneering all-female bands she had followed as a teenager.
