effectively coining the term “servant leader.” The essay details how there’s more to being a leader than decision-making skills —the people you lead have to trust you and believe you have their best interests at heart.

How to Be a Servant Leader: 6 Qualities of Servant ...

Where To Download The Servant Leader How To Build A

James Autry was a business leader who acted as a servant leader before he knew the term. Essentially he illustrates the daily tasks of leading and managing (vision, planning, motivating, holding accountable, dealing with conflict, etc) through a servant leader mode. The book's strength is its practicality, but its weakness is that it does not ...
