The Complete Guide to Day Trading Poof. Understanding. A frame of reference. The same is true in trading. You might already know many of the concepts presented in this book (e.g. that you should use a stop loss). And there might be some concepts that are new to you (e.g. using a time-stop

THE COMPLETE GUIDE TO DAY TRADING - Amazon Web Services

This book, along with Soros's latest book, The New Financial Paradigm explain the author's theory of reflexivity and how it relates to the market. Though it may not provide a direct system for trading, it is extremely thoughtful and deepens one's understanding of how the financial markets work. The book may be a bit dense but it is rewarding for those who are willing to finish it.
