(PDF) Translating Problems and Translating Difficulties ...

The solution to the problem of translation is that the translator should be linguistically in both the languages i.e. SL and TL. In other words, a translator should possess inwardness or feel and mastery over both the languages i.e. SL and TL. The translator should keep in mind the socio- cultural matrix while translation.

Chapter 6 Translation Problems 6.1 Introduction In this chapter we will consider some particular problems which the task of translation poses for the builder of MT systems — some of the reasons why MT is hard. It is useful to think of these problems under two headings: (i) Problems of ambiguity, (ii) problems that

Chapter 6 Translation Problems - University of Essex

6. Cultural issues: an example of a financial translation. Cultural issues may arise from differences between cultural references, such as names of food, festivals and cultural connotations, in general. The translator will use language localization to correctly adapt the translation to the culture targeted.

Translation Problems and Solutions (Literary Translation)

real problem of interdisciplinarity, although he seems to offer no immediate solution. Here, as in the heat of the conference, I would like to propose a solution: Translation Studies, like translation itself, should be seen as a social problem-solving activity. And the stability of our interdiscipline would then require work on definitions of the
